NEW PRINTING PROCEDURES AND EXPANDED CHECK-OUT PRIVILEGES

In keeping with the recently adopted campus-wide, pay-for-print printing policy, the Library has implemented its transitional procedures. As of Monday morning, December 3, black-and-white printouts - at $.00 per copy - can be made by swiping the Florida Tech Panther card or a DART card at the first-floor printer. Beginning January 1, 2002, a $.10 cost per print will be deducted from the card’s balance. Value can be added to either card by using the DART machine in the copier room or by contacting someone at the Service Desk.

Effective January 2002, undergraduate students will be permitted to check out up to fifteen (15) items, and graduate students will be permitted to check out up to thirty (30) items.

PROCEDURES CHANGE

Effective January 2002, only the Library’s south doors will be used after 5:00 p.m. All Library traffic will enter and exit the building by way of these doors, with the north doors remaining secured.

EXHIBITS AND DISPLAYS

“Environmental Awareness” continues to be the theme of a third-floor government documents display. These items from our federal depository - in multiple formats - focus on air- and water-quality research.

Exhibits of Brevard Watercolor Society art works and jewelry pieces also continue. Partial proceeds from the sale of art and other such items benefit the Library’s endowment funds.
