FROM THE DEAN’S DESK: HAPPY HOLIDAYS, FLORIDA TECH!

You are all invited to share your holiday greetings with the campus community by posting a seasonal message – for all to enjoy - in the Evans Library lobby. Offices, groups, and individuals are encouraged to provide to the library cards and notes so that they can be added to the sentiments that are collecting there. Or, if you so inclined, you can use the available materials to create a personal greeting that celebrates your favorite December holiday.

We hope that a wide range of languages, a variety of celebrations, and many meaningful expressions will be represented on first-floor library columns. We also hope that, over the next few weeks, everyone will drop by to peruse the good wishes.
