FROM THE DEAN’S DESK: DEAN’S AWARDS

Each year, the Dean of Libraries presents awards to individuals who have made outstanding contributions to fulfillment of the Evans Library’s mission. Nate Hosburgh, Document Delivery Librarian, Tori Smith, Interlibrary Loan Librarian, and Suzanne Odom, Patron Services Librarian, received this year’s awards. Nate, Tori, and Suzanne, as a team, have raised document delivery services to a new level of excellence. Among other accomplishments, they have implemented the ILLiad Document Delivery system to provide electronic copies, faster turn-around, patron account status, and more patron services. Within just a few weeks, they processed their 1000th request. Well done!

LIBRARY DISPLAYS

The Evans Library’s current lobby display, Florida Tech Research Showcase – College Series: College of Science, is coming to a close. By November’s end, the first-floor exhibit will be removed.

Already plans are underway for the upcoming installment, which will feature the Nathan M. Bisk College of Business. Currently organized by the College of Science’s five departments, Biological Sciences, Chemistry, Mathematical Sciences, Physics & Space Sciences, and Science & Mathematics Education, this multi-faceted display demonstrates international collaborations and far-reaching scientific applications that result in higher quality of life, health, security, teaching, learning, environment, and understanding.
