REGISTRATION DEADLINE NEARS!

The registration deadline - Tuesday, October 16th - for the Evans Library's Fall 2001 graduate research workshops is near! For more information or registration, graduate students who are interested may contact Joanne Savage, Instructional Programs Technician, at jsavage@fit.edu or x7656, or Kathy Turner, Instructional Programs Librarian, at kturner@fit.edu or x8839. Reservations are required and should include name, Florida Tech ID, email address, phone number, modules desired to attend, date of requested workshop, and student's program of study. Forms are also available at the Library's Service Desk and on the LINK (www.lib.fit.edu).

The workshops will take place in the Library's Edwin A. Link Multimedia Room from 9:00 a.m. until 12:15 p.m. on Friday, October 19, and again on Saturday, October 20. Geared toward the research needs of graduate students, especially those preparing theses and dissertations, these two identical sessions each will begin at 9:00 a.m. and will involve three distinct one-hour modules - 1) search strategies, 2) LINK resources and services, and 3) subject-specific break-out sessions.

DISPLAYS AND EXHIBITS

"Environmental Awareness" is the theme of a new third-floor government documents display. These items from our federal depository - in a variety of formats - emphasize government research on impacts on American water and air.

Additions continue to be included in exhibits of Brevard Watercolor Society art works and jewelry pieces. Partial proceeds from the sale of art and other such items benefit the Library's endowment funds.
